## HERALD SPORTING NEWS

IT'S RIGHT  
IF IT'S HEREMASS MEETING  
OF SPORTSMENWill Discuss Fish and Game  
Laws, Duck Clubs and  
Game Warden.

A movement is now on foot among the leading sportsmen of the city to call a mass meeting, at an early date, of all persons interested in the protection of fish and game, with a view of fully discussing the subject and presenting their views to the governor-elect and the next legislature.

It is proposed that every duck club in the state have a representative present, and also that a large representation of unattached shooters and hunters be present for an impartial discussion of what is needed for the betterment of fish and game interests. It is just possible that the meeting will go further and present the names of the best men obtainable for fish and game wardens with recommendations for appointment.

Each year, as the time arrives for the legislature to meet, the sportsmen, who are always working for better fishing and hunting conditions, begin again to voice their changes in the laws to meet their views. Two years ago the license question was thoroughly threshed out and as a result, a strong pressure brought to bear, and the law requiring every hunter and fisherman to pay the state a fee of \$1 was passed. This has brought into the state treasury a sum of money amounting to about \$25,000 a year, but up to date this money has not brought the sportsmen much return. It is proposed to remedy this at the coming session of the legislature if possible.

The question of duck clubs will also be brought up, but it is believed the majority of the sportsmen are in favor of the clubs from every point of view. There are, however, a few who say they will make a fight on the clubs.

From what can be learned in the various sporting headquarters in the city, there will be a strong fight made on the appointment of a state warden. Present Warden Cromar is out for reappointment, but several others are making strong bids for the position.

It is to discuss these matters that a mass meeting of sportsmen has been planned. A committee of local sportsmen are now working on the matter and announce that a call for the meeting will be made within a few days.

## FIGHT SITUATION SERIOUS BUTTE GETS CHAMPIONSHIP

Australians May Not Stand for Any  
More Burns-Johnson  
Goes.

Sydney, N. S. W., Dec. 29.—William H. Wood, chief secretary of New South Wales, in an interview today said that the prize fight situation at Sydney was being given serious consideration by the government authorities. The Burns-Johnson contest last Saturday savored of being more brutal and repulsive than scientific. He declared that unless fighting was eliminated boxing here would have to be regarded as an illegitimate sport. Dr. Woods said that an attempt would be made to amend the law so as to make New South Wales less of a happy hunting ground for securing big stakes as in the last contest, as it was not desired that Sydney should correspond with the Pacific shore regarding pugilistic undertakings. However, as a result of the low character of pugilism indicated by the fight on Saturday, the police would prevent any further contest here between Burns and Johnson.

## SUMMER BASEBALL NEXT

Colleges Must Settle Question of  
Playing on League  
Teams.

Chicago, Dec. 30.—Summer baseball for college men is becoming a big question at the moment, and the "Big Eight" colleges are in favor of the proposition under certain restrictions. The Southern inter-collegiate association has already settled the question which was the satisfaction of the young athletes.

Now the east and west will get together. But to settle the question of the Chicago leaves for the east today to take part in the inter-sectional discussion of the mooted subject at the annual session of the Inter-collegiate Athletic association Saturday. He will urge that summer baseball cannot be permitted in view of the general athletic situation.

## WITH FELONIOUS INTENT

Jury Charges C. Burdette Bell of  
Denver With the Murder of  
Charles C. Dury.

Denver, Dec. 30.—That Charles C. Dury came to his death from the effects of two gunshot wounds; that the gun from which the shots were fired was in the hands of C. Burdette Bell, and that the killing was felonious, is the verdict of the coroner's jury rendered today in the inquest on the death of Dury. The inquest was held at the coroner's office after the death of Dury, who was shot in the back of the head while walking in this city. Both Dury and Bell are from Ohio, Dury being the son of Professor Charles Dury, the prominent national figure, living at Cincinnati. Bell hails from Dayton.

Bell told the jury of recent incidents in his life. She said that Bell had not supported her for several months; that she had been living at different lines in order to help support herself and her child; that she met Dury through responding to his advertisement for theatrical performers; that she had been the shooting she went to live with him at the Leona apartments. She also stated that she had decided to break up the relations existing and that she had told Dury of her intentions.

Dury's wife, who is afflicted with tuberculosis and lives in a tent in the outskirts of the city, told the jury that she had not seen her husband since he was out of work and had no money. The body of Dury will be sent to Cincinnati tomorrow.

## ON CHARGE OF BURGLARY.

Two Men Are Arrested After Considerable Trouble by the Police.

Charles Omen and R. L. Garcia were arrested by Detective Burt and Special Officer C. Riley on suspicion of having been implicated in the burglary of the R. L. Keith, 920 South Temple street, last Saturday night.

It was discovered Sunday that the house had been entered during the absence of the family and between \$500 and \$600 worth of valuables, including jewelry, silver, and other articles, had been stolen. The two men were traced to Murray by Riley, but he failed to find them and made a trip to City, Eureka and other points. Returning to Salt Lake today he espied Omen on the street and later located Garcia.
